works before we say that 20 per cent, is not enough; but let the trial be a fair one. Let us have home valuation. I think we have sagacity enough to fix a price here quite as safely as folks can abroad—1st. We can classify goods and keep on the safe side ; 2nd. We can enumerate them; and 3d. If goods come to us not enu-merated we can value them for their singulari-

Gentlemen:—It would give me great pleasars, if public duties permitted, to join in the celebration of the approaching native says. But I am anable to leave the Seat of Government. I tender to you any season wishes, and would fain hope that all who may a semble on Monday in commemorate our National Epoch, in any part of the country, would fee in full measure, the inflatence of that spirit, which aminated our faintence of the state of the country, would fee in full measure, the inflatence of that spirit, which aminated our faintence of the state of the country, would fee in full measure, the inflatence of that spirit, which aminated our faintence of the country, would fee in full measure, the inflatence of that spirit, which aminated our faintence of the country, would fee in full measure, the inflatence of that spirit, which aminated our faintence of the country, would fee in full measure, the inflatence of that spirit, which aminated our faintence of the country, would fee in full measure, the inflatence of the country, would fee in full measure, the inflatence of the outrous is not known, nor have the perpetuators of this vibinus deed been discovered.—Basic Advances as from the country of the country, would fee in full measure, the inflatence out of the country, would fee in full measure, the inflatence of that spirit, which aminated by continuous feelings had been offered up.

A General Associated up.

Why, Seth." answered she "we are commanded to love one another, sie we not ?"

A General Associated up.

Why, Seth." answered she "we are commanded to love one another, sie we not ?"

A General Associated up.

Why, Seth." answered she "we are commanded to love one another, sie we not ?"

I full the contention of parties, let us remember that we are all American of parties, let us remember that we are all American of parties, let us remember the world call spirit.

It is contention of parties, let us remember that we are all in the conflict of opposing parties, let us the world call spirit.

I full the contentio

opinions, let us hear in annul that popular Governments can only be maintained by yielding to the
will of the majority, consultationally expressed. In
recard to highly important national measures, let us
recollect that they are to operate over almost all
continent, and to inflect the business and interests of
men engaged in almost all the varieties of h men
pursaus, and that for the establishment of such
measures, moderation, predictic, comprehensiveness
and stern impuritality and justice, are essential qualitiers who shall bring these qualities into the pulse
servers of a country, the like of which, for exenand fertility, salabrity of climate, and means of matercourse and improvement, and especially for civiand religious heetry, competent insulations, and extent of general knowledge, among the people, is
without procedent or parallel in the history of mankind.

Lam gentlemen, with true regard, yours,
DANIEL WEBSTER.

I am gentlemen, with true regard, yours, DANIEL WEBSTER.

HENRY CLAY.—Mr. Clay made a masterly speech at the great meeting in Lexington, Ky. It is said to have been the greatest production of the towers, as we understand, has been received at our Castom House, from Washington, dill is said to have been the greatest production recting that all duties hall be assessed, not at the rate of 30 per cent, on the speech at the great meeting in Lexington, Ky. It is said to have been the greatest production of that great man. He reviewed the history of the government from the administration of Mr. Adams down to the present time, pointing out clearly the compromise Act, instead of affording a protection of 20 per cent. (which is as low as the most volent Locofoco could desire, and far too little for revenue.) will only give 16-23 per cent.

These instructions would seem to be founded on ignorance of the subject to which they relate. They cannot be justified by any construction of the Act—Not only have they not been anticipated by any of our Representatives, but we doubt whether they have ever been thought of by any one, but the Compton which seems to make you indifferent to the fact of the American Horel, and the location of the Act—Not only have they not been anticipated by any of our Representatives, but we doubt whether they troller humself.—Heaton Atlas.

HENRY CLAY.—Mr. Clay made a masterly speech at the great meeting in Lexington, Ky. It is said to have been the greatest production of the School of the towest sent to be to a relate to present of the presentative in the form the greatest production of Mr. Adams down to the present time, pointing out clearly the provided the interior of Mr. Adams down to the present time, pointing out clearly the provide and the interior of Mr. Adams down to the present time, pointing out clearly the provided the course of the Act of the Adams of the Adams of the Act of the Adams of the Adams of the Act of the Adams of the Act of the Adams of the Adams of the Adams of the Act of the Adams of the Adams of the Act of the Adams of the Adams of

THANKSGIVING.—Gov. King, pursuant to a resolution of the General Assembly of Rhode Island, has issued his proclamation to the people of the State to assemble, on the 21st inst., in their respective places of worship, and in the language of the state to assemble to the people of the State to assemble, on the 21st inst., in their respective places of worship, and in the language of the state to assemble to the people of the State to assemble, on the 21st inst., in their respective places of worship, and in the language of the state of worship, and, in the language of the reso-

"There confess before the living Go1 their sins as a people; and with warm and contrite hearts sincered yolfer up to the Eather of all Mercles their does not not of His shed and entherty love, so recently and strikingly manifested in rescaining the heart ross of civil war, anarchy, and death i and to be seech him to impress this whole people with an active and abiding reverence for his holy laws, and that they be enabled, through the mercy of Jesus Christ, to live in the daily recognition of the great and solemn truth, that they are all hastening to a final and cternal retribution."

There will be an adjectived meeting of the Barlington Total Abstinence Switety this evening. A purcusal attendance is requested, as the officers of the Christopher, A discussion may also award a dust the claims and demands of all per constants to the claims and demands of all per constitution. The purpose of refusing business patronage to those who traffic in liquor?

WE the Sal serders, having been appointed by the House at the Prelated Corp for the District of Christopher, A given the claims and demands of Christopher, to commissiones to reverse, examine and a dust the claims and demands of all per constants to the claims and demands of the per on against the exact of John John opposition, and a dust the claims and demands of the expected on the following question:—Is it expects that they be embled, through the mercy of Jesus Christ, to live in the purpose of refusing business patronage to those who traffic in liquor?
